AI + their workflow

Day 97

Payments: £30k

FDE: private deployment

NEW WORKFLOW

Some facts:

① Build from 0 is possible.

② Biggest Cost: Housing

Biggest Earn: BtoB FDE.

③ Work-life-balance

④ PoC fee is possible.

Recap.

- ① Don't be fucking afraid.
- ② Trust is and will get more expensive than AI.
Build your trust today.
- ③ Software will change the world.
Software is changing the world.
- ④ Pay attention to your focus.
AI + something else

⑤ Be ruthless on your goal.

You can doubt yourself, hesitate, depress, in a period of time.

But, overall, get over it.

Be positive & trust yourself.

⑦ Your feelings matters

VS

Work-life-balance doesn't work for a goal.

Do it Now. People mission fit.

⑧ Hardworking is necessary to success. period.

Making right & smart decision is harder.
is much more important than hardworking.

⑨ Attention is so pricy: value reputation.

⑩ Make connections and be an extrovert, **Communication**

Enjoy it or think it as a must-to-do.

⑪ Take your time.

Everything & Anything is fine.

Just Enjoy

Thank you!

for all the help

☺

attention !!!
